HAPPENINGS

A New Year Brings . . .

The 1972-73 year came quickly to Madison, but it did not catch the school unaware. New ideas were put into effect and old ones were improved. An example could be seen in the remodeling of the Area III offices into math and reading labs, providing a more centered learning environment necessary for those subjects.

The journey of a thousand miles
Begins with a single step.

The library had the right idea on how to start the new year.

An empty classroom soon filled with students, proving that all summers must come to an end.

Baby Hawks Take Their First Look At Madison!

At freshmen orientation, the freshmen were introduced to life at Madison. For most of them it marked the beginning of new friendships, experiences and responsibilities. As shown by their early enthusiasm, the Class of '76 may turn out to be one of our more spirited classes. Let's hope so!

Right: Organization leaders describe their purposes and activities for the coming year.

What need we teach a child . . .
with our books and rules?
Let him walk among
the hills and flowers,
let him gaze upon the waters,
let him look up to the stars . . .
and he will have his wisdom.
—Anglund

Diane Giovacchini Reigns As 1972 Homecoming Queen Over the 50's

For a change Homecoming was held on a Friday night this year. But it was just as elaborate as ever under the lights. All the floats were designed according to the theme, the 50's. The princesses were: senior Thalia Gerachis, senior Janet Alces, junior Lynn Rhame, sophomore Jeanette Voas, and freshman Selene Mahaffey. The annual Homecoming Dance was held the following night, ending the 1972 Homecoming festivities.

A happy winner stands with her escort, Steve Roman after being crowned.

The '72 court lines up, from *left to right:* Tim McGahan, Selene Mahaffey, George Gerachis, Jeanette Voas, Norman Rodier, Lynn Rhame, Carl Schogren, Janet Alces, Geoff James, Thalia Gerachis.

The winning class float, "Rock-n-Roll the Patriots", was contributed by the seniors.

Below: Majorettes Debbie Woodson and Danita Galbrieth joined in the Homecoming festivities.

The band's giant "Houndog" was the winning organization float.

A Week Full Of School Spirit

Spirited posters line the walls in a hall decoration contest between classes.

The sophomores take part in the tug-of-war contest during the lunch periods.

Here they come! Students arrive for the pep assembly before the big game.

Juniors Sponsor Annual Magazine Drive

During a special assembly day, when all classes had their own assemblies, the essentials of the Magazine drive were explained. The juniors presented skits, scenes of which are shown here.

Jack Dearmitt prepares to flash his irresistible smile at a prospective buyer.

Phil Culkin uses his charm and wit to sell his subscriptions.

The juniors who took part in the presentation line up.

The girls line up for the hot pants competition.

Diane Huband models a winning outfit.

The five semi-finalists eagerly await the results of the judging.

Lorrie Mahaffey is Crowned Miss Madison of 1973

The second annual Miss Madison pageant was held in October 1972. Sponsored by the Future Homemakers of America, it was a great success. The sophomores provided entertainment with a skit and the majorettes also performed. The five semi-finalists were Diane Huband, Sheree Simmons, Jean Ball, Joyce Thompson and Lorrie Mahaffey. Congratulations go to the F.H.A., all the girls and master of ceremonies, Mr. Verciglio, for a beautiful pageant.

Lorrie Mahaffey is crowned Miss Madison by last year's winner, Patty Jaggers.

A delighted new winner smiles with Patty for the camera.

'Twas The Season To Be Busy

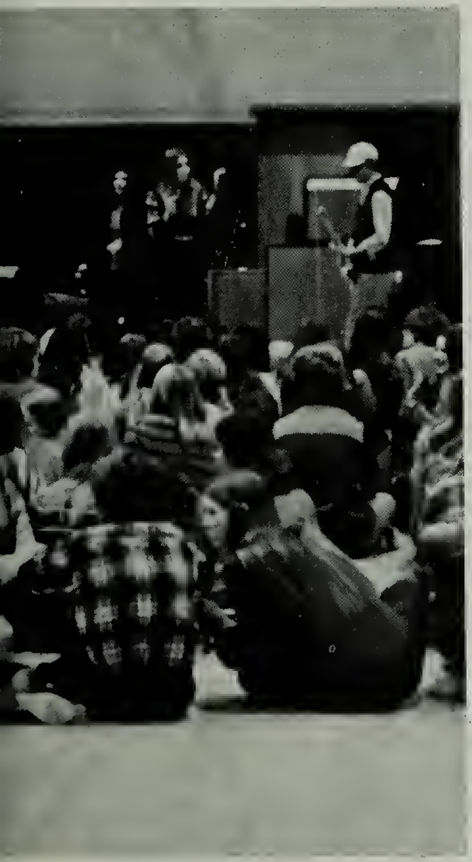
When Christmas was only a week away, most students at Madison were seldom without things to do. There were doors to be decorated, cans to be collected, assemblies to be prepared for, and various other activities. The excitement of the holidays was evident on the faces of everyone. Christmas was a time when the faculty and students worked together to make the season a joyful one for all. Christmas was . . .

A TIME FOR GIVING: Altogether, students at Madison collected 1,431 cans for the underprivileged.

A TIME FOR SINGING: There's nothing like a few Christmas carols during this special time of year.

A TIME FOR MUSIC: The spirit of Christmas drew these students to the gym for some rock music.

A TIME OF SHARING: Bonita and Sally share their favorite person with each other, Santa Claus.



A TIME FOR PEACE: Mr. Saieed's door spreads the word.

A Very Successful "Funny Girl"

"Funny Girl" was presented at Madison in February to sell-out crowds. Excellent performances were given by Lorrie Mahaffey and Phil Culkin as Fanny Brice and Nick Arnstein. A great deal of work and time was devoted by the cast, chorus, and dancers towards making "Funny Girl" another of Madison's well-known musicals.

Left: Fanny tries her best to impress Mr. Kenney.

Below: But she must leave without encouragement from her friends.

A Winning "It's Academic" Team

A six-senior squad got off to an early start in the spring of 1972 and began practicing in earnest in September. The final team of three (Alix Sensale, Stuart Stock, and Steve Greenlaw) entered competition in February with a come-from-behind win over Maryland's Northwood and Friendly High Schools before going on to defend their record against other first-round winners from Fairfax and Bethesda-Chevy Chase. Team alternates were Dick Hannah, Lauris Eek, and Wendy Ebenfield.

Rock and Roll Artists Come Alive

On Jan. 30, two disc jockeys from WRC radio station presented a show for Madison about the history of rock and roll. Their presentation featured glances of favorite stars of the past era. Such famous names as Elvis, the Beatles, Chuck Berry, Little Richard and others were remembered.

A deejay reflects on Aretha Franklin and the soul era.

Students packed the gym to remember their favorite stars of the 50's and 60's.

Juniors everywhere face the excitement of the prom, class rings, college nights, and magazine drives. Juniors at Madison, though, have that extra amount of spirit, which makes a school year memorable. With the words "one more year" as either a threat or a promise, the last few days of high school approach the Class of '74.

UP, UP, AND AWAY . . .

This year's Sophomores were the most spirited class at the end of Spirit Week (of course, 35 pounds of pennies weigh a lot.) They brought in the most cans for the Christmas Drive. A NEW BEGINNING . . .

New clubs to join, exciting class competitions, new faces, a beauty contest and many more exciting activities confronted the Baby Warhawks when they entered Madison. Now that this year is over, and the term, "baby warhawks" no longer applies, Madison has become proud to have the Spirit of '76.

Madison Has Near Perfect Season 1-9

The football team struggled through another 1-9 season. The team was hurt by graduation of many key seniors and the inexperience showed. After a fine opening performance against Robinson, the squad just could not seem to open up in another game. They came very close a few times but turnovers and an inability to put points up on the board kept them from achieving their goal. By far the most impressive showing of the year was against Marshall. After spotting Marshall seven points early in the game, Madison's defense held against the District's best offense. It caused a number of turnovers, but the offense couldn't capitalize on them until late in the fourth quarter. A long pass from Will Bernard was completed in the end zone with only a minute and a half remaining in the game. The two point conversion failed and an upset was avoided.

J.V. FOOTBALL

The J.V., after losing their first five games, won three straight impressively to end out the year. Due to their hard work, the season may be termed a success. The boys should provide the talent necessary for reestablishing Madison as a football power.

FRESHMAN FOOTBALL

The Baby Warhawks had a super season this year. They were undefeated and had only six points scored on them all season! Under fine coaching, Madison just devastated every team they came up against. Let's hope they keep up the good work in years to come. Good luck.

Promising Season For Cross Country

Due to added enthusiasm from the student body and fine coaching, the cross country squad had one of its best seasons ever. For the first time in Madison's history enough people went out to merit both a varsity and J.V. Their dual meet record was 3-3 which may not look impressive at first. However, the three losses were to three top contenders in the region including Marshall who placed first in the state. With all this competition in the Great Falls District Meet, the Warhawks fought hard but had to settle for fourth place. In the regional meet the team ran to a respectable eleventh. Sophomore Chuck Forbes and junior Tom Curling paced the team through the season and should provide a nucleus for a strong team next year.

VARSITY BASKETBALL 1972-1973

Madison's varsity squad finished a dismal season with a record of 5 wins against 16 losses. Falling behind early in the game and having to play catch-up ball plagued the Warhawks all season. The only signs of brilliance were shown midway through the season with consecutive victories over Marshall, Oakton, and Yorktown, followed by a one point loss to W-L. The Oakton contest especially, was a hard fought victory as Oakton had come into the game undefeated and in first place. After these three, however, the season was all downhill with many disappointing losses.

VARSITY WRESTLING

Under new coach, Bob Hand, Madison's Varsity Wrestling team continued to have another fine season, placing second in the Great Falls District Tournament. Seniors Conrad Osterwalder and Craig Bowman, and junior Roy Weaver won the tournament in their respective weight classes.

The team's most exciting win was over McLean, our long-time rival. Madison caught McLean when Fuzzy McVey pinned his man decisively for the team victory.

These performances plus the superb efforts of seniors Jack Salter and Jim Schollhammer added up to another successful and promising season for Madison wrestling.

This Madison wrestler has his opponent in quite a predicament as he puts on the finishing touches of another victory.

With few returning lettermen, this would appear to be a rebuilding season for the Warhawks. However, there is definitely young talent on this team and they should show improvement over last year's record. Led by Bob Miller, Paul Archibald, John Kimball, and other Key personnel, Madison should have a fine year.

Malkin's Marauders Prepare For Tough Season Under New Head

After having a near perfect mark last year, 10-1, the returning district champions will have a tough season, under a new head coach. Coach Norm Chaudet retired after winning district, and was replaced by "Coach Bill Malkin". Bob Moss, a new member of Madison's English department, is also helping the fellas with their invariable second spin serve, and their tennis workbooks.

This year's top six should be composed of returning starting seniors Bill Dembo, Randy Owens, and Gary Quam, a bright new star Mark Dinterman, also a senior, and returning letterman Jeff Leppo, a senior, and sophomore Steve Muff. The team also relies on Ralph Smith and his friend, who, even though they don't walk much like tennis players, have wonderful cut backhands.

The season has increased from the usual ten matches to fourteen, due to the addition of Yorktown and W-L in the Great Falls District. With three matches scheduled in March, the team has had to work extra hrard to prepare for their opener against tough W-L. It will be a rough season in the district, especially with the regional champ, Yorktown; but, we know our Warhawks will fight and scramble.

VARSITY GOLF

Madison this year will hope to continue its winning traditions. For the past several years, the team has placed first in the District and has an unbeaten string spreading over two years. Even though the team lost several key members, the team should prove strong enough to provide stiff competition in the Great Falls District.

VARSITY SOCCER

In existence for only its second year, Madison's young soccer team can only hope for a respectable showing. Due to their lack of experience and youth the team probably won't measure up to the competition in the Northern Region. However, it should build a strong team for next year and years to come.

Madison Breaks In New Co-Ed Team

Swimming was the new varsity sport brought to Madison this year. Under the coaching of Mr. Steven Ward the swimmers and divers practiced faithfully after school on Mon.-Thurs. during the winter season. Most swimmers reached their peaks and a lot bettered their times.

The team not only participated in school meets but also in the Northern Virginia High School League Relay Carnival and Individual All Star Meet.

We at Madison were very proud of our new team and know in the coming years it will prove to be one of Madison's stronger sports.

Coach Miss Dean and her Girls' Varsity Basketball Team had another fantastic season this year. The girls were undefeated in their district and lost only one game in regular season play. This game was very close, and the Jefferson Colonials only managed to edge by the Warhawks in overtime. Since the girls were first in their district, they participated in the First Annual Girls' Regional Tournament which was held at Stuart High School. Here, they again met the Colonials, but this time the Warhawks were the victors and they proceeded to the finals. In the finals the girls played a very fine West Springfield team. Although the Madison girls lost to West Springfield they placed second in the region and had an excellent overall record of 12-2.

All three squads of cheerleaders, who were sponsored by Miss Bullock, did a tremendous job leading school spirit this year. The girls made special efforts to attend all sports events, and participated in the Pep Rallies. In addition to their old standards, such as "Two Bits" and "What Do You Want," the girls led new cheers and did several stunts. They all should receive much credit for the many hours they have contributed to the school.

The 72-73 sport season brought changes for the Madison Pom Pom Girls. They participated not only at basketball games, but football games, too. During football, they performed in the pre-game show by music provided by the Marching Band. High-lights of Half-time

The Majorettes worked hard this year performing with the band at pre-game, half-time, and post-game shows throughout the whole football season. These performances were interspersed with parade competitions in various places, including Vienna and Springfield. In addition, each girl also competed in either the McLean Virginians or Americanettes Twirling Corps, which are nationally known groups. The captain, Karen Grantham, also competed as a soloist. Although they put in a lot of hard work, the girls had an enjoyable experience. They owed much of their success to Mrs. Ann Brown and Mr. Berryman.

Mrs. Nateman is the group's sponsor.

GAA Aids Sports

The Girls' Athletic Association, sponsored by Miss Pound, is an active organization that assists the girls' P.E. department. Each year they raise funds to buy some necessary equipment that would be most beneficiary to the girls. Last year they bought a crash pad for track and field; this year they purchased kilts for the hockey team; and next year the GAA hopes to buy a balance beam to replace the partially split one. They earn their money from bake sales, sweat shirts, and cushions but also have Fun Nights and an annual Mother-Daughter Banquet specifically for enjoyment. At the December Fun Night they repaired old toys that they had collected for needy children in the Vienna area.

The favorite event for all official members is the initiation of those girls who had recently lettered in a sport. This year they each had to perform to some music that was chosen by a committee, such as "Rubber Ducky", "Little Puff 'n Toot", and "Peter Rabbit".

SCA Exchanges Representatives

This year the SCA, Student Council Association, sponsored various activities, such as Homecoming, with the aim of getting students involved in Madison. President Steve Roman, with the help of their sponsor Mr. Cacciapaglia, started an exchange program with an out of state high school from New Matamorras, Ohio. Several Ohio students came to visit Madison last fall, and Frontier High was visited by five Madison students. The SCA also set up a teacher-student inquiry committee for an evaluation of teaching methods. This committee would hopefully foster a closer working relationship between students and teachers. A move was made again this year to draft a new student government constitution.

Exploration of Local Streams by Science Club

This year the Science Club, which was sponsored by Mr. Kline, decided to use Difficult Run for their environmental field study. They worked all year compiling data about nearby streams for the Vienna Town Council. Hopefully their information will help the effort of the Council to control pollution. They also tried to introduce and study various sciences and relate them to the environment. This fall the Science Club got together and went on a camping trip to Spruce Knob over a weekend. During their short stay they studied the streams and surrounding areas.

Orchestra Gives Superb Concerts

The Madison Symphony Orchestra is in its second year and growing. Starting early with concerts by the String Orchestra in elementary schools during September, the Christmas Concert in December, the Theatre Concert in April, Spring Concert in May, and numerous other appearances kept them busy throughout the year. Eight of the string players represented our school in the Northern Virginia Regional Orchestra in November. Four of these, Kathi Kemper, Don Foy, Betty Bivins, and Dennis Thorp, each won places at the All-Virginia String Orchestra this May. The officers are Betty Bivins; president, Dotti Karns; 1st Vice-president, Dennis Thorp; 2nd Vice-president, Mary Bielich; treasurer-secretary and Donna Browning; librarian.

Mr. Berryman Shows Who's the Best Around

After many months of hard work the Madison bands at last won the recognition of achieved performers. The Marching Band stepped out of its routine pattern to play in the Halloween Parade but it didn't stop there. They performed for the President at his Inauguration and, if they could raise enough money, planned to attend "Six Flags Over Georgia", an East Coast Festival by invitation only.

The bands are divided up according to each person's ability. The Marching Band is composed of the Symphonic Band and Majorettes. The Percussion Ensemble and Woodwind Quintet are a part of the Symphonic Band, Madison's best. There is also a Concert Band for those who have not yet reached the perfection that the Symphonic Band requires.

Madison Choir, Madrigals Excel

This year, the Madison Concert Choir, and Madrigal singers, directed by Robert Shafer, maintained its excellent reputation. They are the only high school choir who has been invited to sing at the Kennedy Center. The choir sang twice there, in Britten's War Requiem September, and the Bach Festival in spring. Other concerts included the National Gallery of Art; the National Presbyterian Church; and the Madrigals were invited to sing for President Nixon at the White House. In addition to their Spring and Christmas concerts, they staged a concert, "The Old and the New," in early December. It featured the choir and madrigals singing traditional and classical music and Fence, in country rock, and western.

The Faces that Put Memories Together

The Montpelior staff devoted many hours of work and creative ideas to the production of the 1972-73 yearbook.

With the guidance of advisor, Mr. Harry Shaffer and the two editors Roxanne Lang and Evelyn Morgner, the new and old staff members were taught what was needed to design their school yearbook.

Despite all the ups and downs that the staff had we feel that this yearbook represents Madison's life as accurately as was possible.

In Memory of Mrs. Jean Donohoe

'Met a lady in school one day, and
it became clear she had something to say.
She rang it out with sympathy in her voice
and it became clear I had no choice —
but to change . . .

Her words were music to my ears
she cleared up my doubts,
she cleared up my fears, and
When I went to sleep that night
I saw my own soul with a new kind of sight.

She was bright, and she was nice, but
her time came like a roll of the dice
She's been through trials and
She's been through pain — but now
She's made it through the rain

Mrs. Donohoe, keep smiling
and brighten up the room.
Mrs. Donohoe, keep smiling, and
We'll all see you soon.
